

## Summary of Graduating Senior Survey-Future Plan AY 2018-2019

The Office of Institutional Research conducted a graduating senior survey at Grad Finale in the Fall 2018 and Spring 2019 at UNC Pembroke. The survey was developed by UNC system General Administration and mandated to administer on each UNC campus every two years. The purpose was to measure how well our graduating seniors were satisfied with their learning experience and services received at UNCP.

The survey questionnaire asked graduating seniors to share information about their future plans. A total of 745 graduating seniors who applied for graduation in the Fall 2018 and Spring 2019 were invited to participate in the survey. After removing the invalid response, a total of 673 students who completed survey was used for analysis with 90.3% response rate.
