R [05] 2018-2019 1

SENATE RESOLUTION [05] A RESOLUTION TO BE ENTITLED AN ACT TO REDUCE THE BURDEN IMPOSED ON STUDENTS BY PRINTING COSTS

Short Title: Print Cost Reduction Act (Public)

Written by: GO Chair Newton

Sponsored by: Senator Graham, Senator Ingram, Senator Marino, Senator Ramirez, AA Chair Samuels, SA Chair Spencer

Signatories: Treasurer Bramblett

First Reading: 3 April 2019 **Version Date:** 2 April 2019 **Second Reading:** 10 April 2019 (*First Reading*)

Referred to: AA, SA

Section 1. The Student Senate of the University of North Carolina at Pembroke adopts the following Resolution:

WHEREAS, the current Universal Syllabus Addendum¹ for the University of North Carolina at Pembroke (UNCP) exists to ensure that the rights of students are protected regardless of individual instructor or department preferences; and,

¹ Located at <https://www.uncp.edu/resources/academic-affairs/faculty-information-syllabi/universal-syllabus-addendum>

² Information from <https://www.uncp.edu/resources/division-information-technology/wepa>

WHEREAS, UNCP has transitioned to “pay-as-you-go”-style printing at the beginning of the spring 2019 academic semester in the form of “Wireless Everywhere Print Anywhere” (Wepa) printers replacing the free printers previously located in labs across campus²; and,

WHEREAS, students are currently allotted \$10.00 per semester in printing dollars, allocated from their own Educational & Technology (E&T) fees, which allows for a maximum of 125 single-sided black & white sheets (\$0.08 per page), after which students must pay out of pocket for printing for the remainder of the semester; and, **STUDENT SENATE OF THE UNIVERSITY OF NORTH CAROLINA AT PEMBROKE 2018-2019**

R [05] 2018-2019 2

WHEREAS, this transition, while designed to reduce the growth of E&T fees³, has been universally panned by students and, per the Student Government Association's (SGA) outreach, has the second-highest complaint rate among all campus issues aside from parking; and,

³ Currently \$528.91 per year for full-time students (slated for an increase of \$15.00 beginning in the 2019-2020 academic year) per <https://www.uncp.edu/resources/bursar/tuition-and-fees>

⁴ Located at <https://www.uncp.edu/about/mission-statement>

WHEREAS, three of UNCP’s core values⁴ include “The commitment to prepare... students to succeed in an... increasingly technological global environment,” “the accessibility of education...” and “the maintenance of a sustainable... and accessible campus;” and,

WHEREAS, the UNCP SGA’s mission includes the goal of “ensuring access to affordable and quality education for its student body;” now, therefore, be it

RESOLVED, that the UNCP SGA advocates that the Universal Syllabus Addendum for UNCP should be amended to include a section reading “All courses shall allow for the electronic submission of any assignments required for the course. Any student shall be allowed to submit assignments through Canvas, University email, or another free electronic platform designated by the instructor at the start of the semester. No penalty shall be imposed on students for opting to submit an assignment electronically rather than on paper, and electronic submissions must have the same deadline as paper submissions. Any instructor desiring a hard copy of an assignment shall be required to use their own department’s funds to print these copies rather than putting the impetus on students to spend their own money on paper submissions.”; and be it further

RESOLVED, that students should receive a \$5.00 increase to their initial allowance of printing funds each semester (for a total of \$15.00 per semester), and students shall be allowed to roll over unused printing funds from semester to semester and year to year; and be it further

RESOLVED, that the effectiveness of these interventions shall be evaluated one (1) year after implementation to determine if further changes are necessary; and be it further

RESOLVED, that upon enrollment, a copy of this resolution shall be sent to the Faculty Senate, the Staff Council, and the Division of Information Technology.

Section 2. This Act shall be effective upon enrollment.

³ Currently \$528.91 per year for full-time students (slated for an increase of \$15.00 beginning in the 2019-2020 academic year) per <https://www.uncp.edu/resources/bursar/tuition-and-fees>

Appendix C: “Interpersonal Violence Resources Statement” (Syllabi)

“Students who have been impacted by interpersonal violence (dating violence, domestic violence, stalking, and sexual assault) and are in danger should call Campus Police at x6235 or dial 911. Students needing immediate medical attention should go to the nearest ER. Students may also file a complaint with the university Title IX Coordinator. This complaint can be filed in person in the Health Sciences Building, Room 337, by phone (910) 521-6281, or by completing the reporting form found at <https://www.uncp.edu/resources/title-ix-clery-compliance/sexual-misconduct/sexual-misconduct-reporting-concern>. Counseling and Psychological Services (CAPS) provides students with confidential counseling and advocacy services free of charge. CAPS is located in the Brave Health Center and students may walk-in Monday through Friday from 9:00AM - 4:00PM to consult with a counselor. Students may also utilize the Southeastern Family Violence Center 24-hour crisis line by calling (910) 739-8622 or the Robeson County Rape Crisis line by calling (910) 739-6278.”
