

The Student Publications Board will meet at least twice each semester; meeting dates and times for each academic year will be determined early in each Fall semester by a consensus of the members of the Board. The Board will serve as the selection committee for the newspaper editor, the yearbook editor, and the literary magazine editor; it will be responsible for approving the application process, interviewing applicants, selecting editors, and hearing charges that could lead to the dismissal of editors. The Board will serve as the arbitrator in the event that censorship pressures arise and will develop other roles which the Board deems proper, in accordance with the guidelines and policies set forth in the Student Publications Manual. The Board will not, however, attempt to provide active oversight of the day-to-day workings of student publications.
