

ICC Designated Courses

Fall 2022

The following courses have been designated as meeting the ICC graduation requirement for the Fall 2022 semester. **Please note that only those sections with CRNs listed here have been designated. No other sections will meet the ICC graduation requirement at this time.**

This list has been provided to help with advising incoming students. Please be reminded that beginning under Academic Catalog 2022-2023 incoming Freshmen and transfer students with fewer than 60 credit hours are required to take two (2) ICC designated courses (or one course and one approved co-curricular learning option) prior to graduation. Transfer students with 60 or more transfer credit hours will need to complete one (1) ICC designated course or approved co-curricular option.

The courses are divided into General Education courses and non-General Education courses. Each section is subdivided into standalone courses and AIS-cross-listed courses.

Thank you,

ICC Council

General Education Courses

Sub	Crse	Title	Sec	CRN
AIS	1010	Intro to Amer Ind Studies	001	10014
			800	11076
