

Second Degree Seeking

Pre-Nursing Advising Action Sheet – To be completed during every advising session.

Date: _____ **Advisor's Name:** _____ **Student's Name:** _____

This checklist includes only pre-requisite courses for second-degree seeking students with an Associate Degree in Arts or Science or any Bachelor Degree. A total of 124 credit hours are required for graduation. Each candidate for graduation must have a minimum overall cumulative quality point average of 2.0 and have a minimum cumulative quality point average of 2.0 in all work attempted at the University of North Carolina at Pembroke. Each candidate for graduation must have a minimum overall cumulative quality point average of 2.0 in the major field of study. Academic Standards for Progression for nursing students are available in the Department of Nursing's Student Handbook.

Check if Still Needed	Input Completed Grade	General education electives are waived for all Bachelor degrees and only Associate in Science or Arts from a <u>NC</u> Community College. <i>This form must be e-mailed by the advisor to the Graduation Manager in the Registrar Office and to Financial Aid!</i>
		Philosophy: PHI 1000, 1010, or 2040 Course transferred from (full name of institution): _____ Original Course Prefix and Number (e.g. HLTH 1555): _____
		Biology: BIO 1000 Course transferred from (full name of institution): _____ Original Course Prefix and Number (e.g. HLTH 1555): _____
		Chemistry I: CHM 1300 or 1400 Course transferred from (full name of institution): _____ Original Course Prefix and Number (e.g. HLTH 1555): _____
		Chemistry I Lab: CHM 1100 or 1120 Course transferred from (full name of institution): _____ Original Course Prefix and Number (e.g. HLTH 1555): _____
		Math: MAT 1050, 1070, 1080, 1090, 2150 or 2210 Note: MAT 1070 is a prerequisite of CHM 1300. Completion of MAT 1050 will not fulfill the CHM 1300 prerequisite. Course transferred from (full name of institution): _____ Original Course Prefix and Number (e.g. HLTH 1555): _____
		Psychology: PSY 1010 Course transferred from (full name of institution): _____ Original Course Prefix and Number (e.g. HLTH 1555): _____
		Anatomy and Physiology I: BIO 2110 Course transferred from (full name of institution): _____ Original Course Prefix and Number (e.g. HLTH 1555): _____
		Anatomy and Physiology II: BIO 2120 Course transferred from (full name of institution): _____ Original Course Prefix and Number (e.g. HLTH 1555): _____
		Microbiology: BIO 3150 Course transferred from (full name of institution): _____ Original Course Prefix and Number (e.g. HLTH 1555): _____
		Statistics: MAT 2100; PSY 2080; SOC 3600; CRJ 3600, SWK 3600, or HON 2520 Course transferred from (full name of institution): _____ Original Course Prefix and Number (e.g. HLTH 1555): _____
		Critical Thinking: NUR 2020 Only available through UNCP. No transfer equivalencies available.
		Pathophysiology: NUR 3250 Only available through UNCP. No transfer equivalencies available.
		Only for students with an Associate's Degree in Science or Arts, 2 separate PED credits are required: Physical Education and Wellness: Course 1: _____ Course 2: _____ Course transferred from (full name of institution): _____ Original Course Prefix and Number (e.g. HLTH 1555): _____

Students must achieve a minimum of 'C' in all major courses. Any major courses in which a grade lower than a "C" is earned must be repeated and a grade of "C" or better must be earned. Major courses may be repeated one time only. After pre-nursing students are notified of official admission to the pre-licensure BSN program, **the following courses are required for the major:** NUR 3010, 3030, 3040, 3050, 3100, 3150, 3200, 3450, 3500, 4000, 4150, 4350, 4120, 4450, and 4510.

I understand that this is a pre-nursing proposed course work plan of study and I am not considered admitted to the BSN Program until I receive written notification from the UNC Pembroke Department of Nursing indicating such.
