Project Description	One-Two Sentences REQUEST FOR QUALIFICATIONS

This study aims to enhance the Chancellor's Residence to accommodate more residents and visitors. This residence serves as the official dwelling for the university's leader and family. Various university events are hosted there. The residence comprises living spaces, entertainment areas, guest rooms, and outdoor sections. The study will explore potential renovations, expansions, or the construction of a new facility to meet evolving needs. Emphasizing using local materials and designing outdoor spaces for community gatherings is crucial while preserving the area's natural beauty.
