PTSO Advance Senior Graduation Luncheon

Drs. Siva Mandjiny, Bill Brandon, and Quinton Rice attended the Robeson Early College High School Advance Graduation Luncheon in the Chancellor's Dining Room on May 2, 2019. The students have completed nearly two years of college courses and are ready to transfer to a college or university and continue their undergraduate work. It was a great opportunity for the faculty and staff to meet with these students and talk about the many reasons why UNC Pembroke should be their next big adventure. The faculty had the opportunity to converse with the students, their principal, and some of their teachers. Congratulations to the 2019 Robeson Early College High School Graduates! Wishing you the very best.

Chemistry and Physics Graduates

The 2019 Commencement was held May 4 for the undergraduate students. Congratulations to all graduates.
