Due No Later Than Monday, 17 October 2011*

Application Process (for Associate Membership and Promotion to Regular Membership):

Complete this application and mail or return to:

1. Dr. Dennis W. McCracken (Oxendine Rm 2228) **OR** Dr. Maria Pereira (Oxendine Rm 2217), UNCP, Department of Biology, P.O. Box 1510, Pembroke, NC 28372-1510
2. With your signed permission (on the application form below), Drs. McCracken and Periera will examine your academic transcript, as to determine your eligibility for membership.
3. After you have submitted this **application**, you should receive a **letter of invitation** in the mail, informing you of your eligibility. If you are not notified within 2 weeks after the deadline of this application, please contact one of us.
4. **Membership requirements:** Associate—30 semester hours, overall QPA of 3.0, completed a minimum of one biology course with a grade of **B** or better; Regular—Major in Biology, Environmental Science or Biotechnology, 45 semester hours, overall QPA of 3.0, three biology courses (at least two at 200 level or above) with a QPA of 3.0 or above in all Biology courses. Transfer students who have transferred biology credits at the 200 level must complete 2 courses in biology at the upper level (>"200" level) at UNCP to be eligible for membership.
5. **Registering for Membership: If eligible for membership**, complete a registration form (included with the letter of invitation) and submit payment for membership by the deadline stated in the letter. Associate membership is \$35, Regular membership is \$45 and promotion to Regular membership is \$10. **Do not submit payment with this application.**
6. Students applying for membership during the fall semester will receive their TriBeta membership certificates during a fall meeting of the local chapter. Students applying for membership during the spring semester will receive their certificates during the spring initiation banquet. All new members (fall and spring) are required to attend the initiation banquet, and letters containing details of this festive event will be forthcoming.
7. Associate and Regular members are expected to support the local Psi Lambda Chapter by attending its meetings (once a month) and paying local dues (\$10 per semester).

Save the above portion for your records and submit the form below
