## Career Resolutions

*Kick start your career plans in 2011!*

So maybe you already have some resolutions, like hitting the gym more often, studying harder, maybe budgeting more effectively. These are all great! Here's some others we'd like you to consider:

- Spend time doing what you love; declare a major that will help you do it as a career
- Research the job market and careers in your field
- Update your resume and have it critiqued
- Schedule an information interview with one or two professionals in your field
- Apply for on-campus positions or internships
- Build your network by attending career fairs and other campus-sponsored events
- Get out of the residence halls, get connected, and gain some experience!

The Career Center can help you achieve all of these goals in 2011. Stop by and see us in UC, Suite 210!

## Take the Student Employee Challenge!

*Recognition and prizes for hard-working students!*

We've got a few things up our sleeves to honor student employees this semester, but the Student Employee Challenge is the first. Here's how you can join in the fun!

- Log onto our web site:  
**uncp.edu/career**
- Find this button 
- Fill out a brief form
- Check your email for weekly challenges
- Compete for prizes, incentives, and the chance to win "Student Employee of the Year!"

The Challenge will provide you with networking, professional development, and skills that will help you land a job after college. (Oh yeah... some fun, friendly competition, too!)

***Do it... we dare ya!***
