We are happy to schedule an appointment to meet with you.

Visit our Web site, www.uncp.edu/cs, for the latest updates

and schedules of our workshops, campus recruiting visits, and for information about the all new Career Expo. The one-of-a-kind Business Etiquette dinner is back, but we also have new programs for you such as the "Careers In..." series.

- Public Service, Law, & Government
- Computer Science & Information Technology
- Accounting, Banking & Finance
- Consulting, Management, Human Resources, & Sales

- Health & Science

If you have questions about career opportunities in any of these fields, make plans to visit the Career Center. We are conveniently located in the University Center, upstairs in Suite 210. This year we also have the traveling Resume Critique Station. Watch for us around campus to receive a critique from a Career Consultant. Have a great year!

"Opportunity Knocking" September 5th, GPAC

This year the Career Center is pleased to present "Opportunity Knocking" an uplifting presentation by Albert Mensah.

"Before beginning my speaking adventure, I owned my own business, and had a very successful sales career. The heart of my technique and the core of my philosophy is still

"Opportunity" because any advancement in one's life starts with an understanding that opportunity is all around and it's up to us to take advantage of it."

-Albert Mensah
This energetic speaker brings his motivating message to UNCP Wednesday, September 5th at 10:00 a.m. in GPAC. Join us!
