TOTALS:	29	27	5	6	3	14	0

Mohammad Ashraf
ECN 3040-001
Fall 2007

1. Enjoyed class, thank you.
2. Students spent time trying to write information from slides and could not focus on lecture. Make slides available on Blackboard prior to class, so we can "hear" lecture. Use end of chapter problems to help reinforce information in lecture.
