

## Results from the Spring Grad Finale Survey Class of 2008

**Number Attending Grad Finale:** 348

**Number of Survey Responses:** 345

**Overall Response Rate:** 99%

### Summary of Results:

A brief survey was administered to all participants at Grad Finale for spring graduates on March 12 – 13, 2008. The purpose of the survey was to determine the current plans that spring graduates have for after graduation related to employment and/or graduate school. According to the survey, 32% of the students attending Grad Finale and graduating in May have secured employment and 32% are planning to attend graduate school. Of the 32% that have secured employment, 66% indicated that the position is one they held during their studies at UNCP.
