

PRSSA

The Public Relations Society of America (PRSA) founded the Public Relations Student Society of America (PRSSA) in 1968 to cultivate a favorable and mutually advantageous relationship between students and public relations professionals.

Through our chapter, we aim to foster:

- Understanding of current theories and procedures of the profession
- Appreciation of the highest ethical ideals and principles
- Awareness of an appropriate professional attitude
- Appreciation of Associate Membership in PRSA and eventually accredited membership.

Your support of this tournament will provide funding to the members of the organization to continue their dedicated work to their education and future professions.

The advisor, officers, and members of the UNCP chapter of PRSSA thank you.
