

Vice Chancellor for Student Affairs' Message

It is my pleasure to welcome you to The University of North Carolina at Pembroke! The Division of Student Affairs is excited to have you join the UNC Pembroke family and to have the opportunity to work with you.

I hope that the 2011-2012 academic year will be a great year for you and that you will experience "the personal touch" which distinguishes UNCP from other campuses.

The Division of Student Affairs is committed to providing quality programs, activities, services and facilities that will assist, enhance and enrich your experience at UNCP. Programs and services are offered to assist each student to develop intellectually, socially, culturally, physically, and emotionally. Opportunities for personal growth and development abound. We encourage you to get involved in some of our many activities which include student government, clubs and organizations, student publications, theater, intramural sports, and our civic engagement, student leadership and personal development opportunities - just to name a few. We also hope that you will take advantage of the facilities available on campus, including tennis courts, bowling alleys, swimming pools, fitness centers, and tracks. While it is important that your first priority be your academic studies, we hope that you will take advantage of the many co-curricular activities and programs available to you.

The Division of Student Affairs includes Housing and Residence Life, Student Health Services, Student Involvement and Leadership, Counseling and Testing, the Career Center, the Chavis University Center, the Givens Performing Arts Center, Student Conduct, Multicultural and Minority Affairs, Greek Life, Community and Civic Engagement, Intramurals and Campus Recreation, and Campus Safety and Emergency Operations. If we can be of service to you in any of these areas, please do not hesitate to let us know. Our doors are always open to you!

We wish you the best at UNC Pembroke and look forward to working with you.

Sincerely,
