3. Reports
 - a. **The *Indianhead* Yearbook:** Ms. Oswald reported that the deadline for the 2008 issue was met despite the lack of contribution from Katrina Hampton, the Editor in Chief. Ms. Hampton has missed important meetings and has not followed through on her responsibilities as the Editor in Chief. Ms. Oswald recommended that Ms. Hampton be removed effective immediately from her position. A formal motion was made in support of this recommendation. The motion was unanimously passed, with no abstentions. The new Editor in Chief was left to be determined.
 - b. **The *Aurochs* Magazine:** Dr. Helgeson reported that:
 - (i) They were still in the process of preparing the 2008 issue for delivery to the printer by the week of March 17th. The *Auroch* is in need of quality artwork for the 2008 issue. She requested that we encourage students to submit their work by the end of this week.
 - (ii) *Auroch* staff members who are enrolled in the Student Literary Magazine Production class are assisting with various projects, including website development, the preparation of mailing lists, and the development of PowerPoint presentations to be shown at freshman seminars and other classes to introduce students to the *Aurochs*.

c. ***The Pine Needle Newspaper***: Dr. Curtis reported that *The PineNeedle* has added 2 pages of color (pages 2 and 11). She expressed enthusiasm for the newspapers content and growth.

4. The next SPB meeting is scheduled for March 24, 2008 at 3:30 p.m.

5. The meeting was adjourned at 4:30 p.m.
