Project Description	One-Two Sentences REQUEST FOR QUALIFICATIONS Construction Materials Testing and Special Inspections

University of North Carolina at Pembroke is seeking letters of interest from qualified professionals to provide construction materials testing and special inspections for soils, concrete, masonry, steel construction, and wood construction. Testing and inspections are to follow code requirements, construction documents, and established standards and procedures.

Athletics and campus recreation are building an outdoor sports complex. Components include turf on Lumbee Field, lighting and fencing for baseball and Lumbee Fields, a new restroom, concession, and storage facility for Softball Field, drainage improvements, covered hitting facilities for Baseball and Softball, and wall padding for Baseball Field.

Firms are requested to ensure receipt of proposals at address listed below by Noon on 4/30/2024.

Intended Schedule:

Deadlines
05/07/2024 Selection Committee Criteria Review (Info in URL)
