THE JAMES B. CHAVIS UNIVERSITY CENTER/UC ANNEX

Dedicated to providing “The UNCP Personal Touch”

The James B. Chavis University Center/UC Annex exists to meet the social, cultural, educational, and recreational needs of the University community. It provides a common space where informal interaction enhances the quality of life on campus. While many of our programs are geared toward the needs of our students, we are the central gathering place for all members of the UNCP community--students, faculty, and staff--to meet, relax, and share experiences.

The University Center, commonly known as the UC, has facilities and services for practically all of your daily needs. Included within the UC are lounges, conference rooms, food services, bowling lanes, a game room, an information station, a computer lab, administrative and student organization offices and much more. The UC/UC Annex is more than just facilities and services; it is also people and programs. Whether it is to become involved in the various student organizations, watch TV, or attend a movie, you'll find it in the University Center/UC Annex.

The University Center and Programs department is committed to facilitating the educational process by providing services, programs, and activities, a laboratory experience for student growth, an arena for the development of cultural, social, leadership, and recreational awareness, and an environment of opportunity for student, faculty, staff, and community interaction. This is accomplished through the administration of programs and services, by providing guidance and resources to student leaders and organizations, and serving as the campus' central point of reference in regard to information, leadership development, student activities, and organizations.

The administrative office of University Center and Programs is located on the second floor in Suite 220. The office is open from 8:00 am to 5:00 pm, Monday - Friday. The staff is dedicated to making your experience satisfying and enriching. Feel free to drop by - we are here for you.

Mission Statement:

The mission of the University Center and Programs department is to encourage and support the educational, social, and cultural enrichment of students by creating an environment of opportunity for student, faculty, staff, and community interaction.

Vision Statement:

The Chavis University Center/UC Annex will be the hub of campus life, a central gathering place, for relaxation, social interaction, education, and exchange of thought.

Historical Facts:

On May 8, 1987, the Board of Trustees of the University voted to name the University Center the **James B. Chavis University Center** in honor of Dr. James B. Chavis, Vice Chancellor for Student Affairs, and a dedicated employee of the University from 1964 to 1999. The 66,068 square foot facility was designed by Hayes and Howell Architectural Associates of Southern Pines, North Carolina. Construction on the 17,618 square foot Annex began in 2006. The facility, designed by Pearce, Brinkley, Cease and Lee Architects, opened in fall 2007.

The James B. Chavis University Center and the UC Annex is dedicated to enhancing The University of North Carolina at Pembroke's goal of offering a personalized setting for the continued excellence of the UNCP community. Designed to serve as a central facility for student life on campus and for student/faculty/staff interaction, the University Center/UC Annex has shifted the nucleus of the campus northward.

Posting

Printed materials may be posted only on designated bulletin boards; nothing may be posted on any other surface. UC and Programs staff will immediately remove signs placed on glass and/or walls. **ALL** forms of advertisement must be approved through the Information Station at least one week prior to the event to assure maximum exposure and will remain posted for a period not to exceed three weeks, with the exception of banners (see banner policy). Anything posted without approval will be removed by a staff member. Offensive, obscene, inflammatory advertising, etc. will not be permitted. No posters are permitted in which alcohol consumption or alcohol sales are part of the advertisement. Posters and flyers must provide the name and contact information of the sponsoring organization or group. Posters should be no larger than 24" x 17" in size, unless otherwise approved. Only four (4) advertisements per event will be approved.

Banners

Generally, banners are not permitted, but exceptions can be made for special events and programs. Banners may only be hung the day before and the day of the advertised event. Banners not advertising a specific event can hang for two weeks. Banners may be hung in the six designated banner areas, with special permission. Banner areas are located on either side of the columns at the front entrance to the UC, in each entrance foyer, above the display case at the rear UC entrance, and above the Bookstore display—hooks are provided. For banner locations in the UC Annex, contact Facilities Operations. Banners (including all hanging materials) must be removed as soon as possible after the event.

Bulletin Boards

Display boards, located throughout the building, are a great way to reach a targeted audience. There are four bulletin boards in the UC for advertisements, one of which may be reserved. To reserve a bulletin board, contact the Information Station at (910) 521-6575. The board may be reserved for a two-week period by recognized student groups, UNCP departments, divisions, or programs.

Decorations

Time allowed for decorating will be determined by the availability of the facility and must be arranged through the UC Office. The UC is not responsible for any injuries that might occur while an individual or group is decorating for an event. Nothing is to be attached to the walls, ceiling, glass or other surfaces of the UC/UC Annex without the consent of the Senior Director. UC staff will immediately remove any items placed on glass and/or walls. All decorations to be used during an event must be approved in advance by the Senior Director. Anything that could damage facilities including, but not limited to, painting, stapling, gluing, tacking, nailing, craft glue, hay, and glitter is prohibited. Only beige masking tape should be used to attach decorations. All decorations, including helium balloons, must be removed immediately following the event. Failure to do so may result in extra charges to the event sponsor.

Electronic Message Board

Electronic message boards are located throughout the UC to inform students/faculty/staff and guests of various activities scheduled in the UC/UC Annex. Messages are placed on the board on a first-come-first-serve basis and space availability. *Messages for the Student Life/University Center/Greek Life and Student Affairs Offices have priority.* Messages that do not serve the intended purpose of the message system will not be posted. Anyone requesting a message to be displayed should type the message and bring it to the Information Station one (1) week prior to the scheduled event.

Marquees

The marquee located in front of the UC is primarily used to advertise campus events. Messages for the Student Involvement and Leadership/University Center/Greek Life and Student Affairs Offices have priority. However, events that are pertinent to the University will be advertised as well, at the discretion of the Senior Director. Individuals interested in advertising an event should contact the UC Office at (910) 521-6584 one week in advance. Messages for The University Network (TUN) display located outside the cafeteria must be submitted two weeks prior to the event. Messages for the VitalCAST displays located outside Bert's and in the Information Station must be submitted three weeks in advance.

RESERVATION POLICIES:

Access to the Facility

If your program is before normal operating hours, special arrangements must be made to open the building/conference rooms. On weekends, University Police normally opens the facility. If for any reason you arrive for your program and the facility/conference rooms are locked, please contact University Police at (910) 521-6235. Occasionally, this may require them to contact the Senior Director for University Center and Programs for authorization.

Amplified Sound

University Center and Programs staff reserves the right to restrict/deny the use of, or turn off any amplified sound system that interferes with the normal operations of the UC/UC Annex or surrounding spaces. No amplified sound is allowed in conference rooms. Groups using amplified sound must be respectful of other facility users. If asked to lower the sound level, do so immediately. Failure to do so will result in the cancellation of reservations for the remainder of the semester.

Audio/Visual Equipment

Arrangements for all audio/visual equipment to be used in the UC/UC Annex must be made through the reservations manager. All requests for audio/visual equipment must be made at the time of the room reservation. Equipment not in the inventory of the UC should be requested from the Media Center at least one week prior to the event to insure availability. Technical services student staff are available to assist with equipment requests that adhere to submission restriction timelines and will be assigned to cover events scheduled in the UC/UC Annex. The Media Center is also available to assist with events and can be contacted at 521-6254. A charge will apply for external groups.

The following equipment is available for use in the UC/UC Annex:

N Floor Podium w/mic	N TV/VCR	N U.S. & N.C. Flags
N Tripod	N Marker Board	N Piano
N Portable Screen	N A/V Cart	
N LCD Projector (Room 213, Annex Assembly Room only)		
N Sound System: Wireless Mic, CD Player, Cassette Player, Microphones (Lounge and Annex only)		

Note: Due to the high loss associated with extension cords, we do not provide them.

Cafeteria

To reserve the cafeteria for an event, please complete a General Facility Use form or call the Student Affairs Office at (910) 521-6226. Catering must be handled through Sodexo Dining Services. Please call (910) 521-6360 or 775-4194.

Catering Statement: Refreshments

Sodexo Dining Services has the exclusive food and beverage contract on the UNCP campus. Food and beverage (including light refreshments) must be purchased from them. Exceptions to this policy can only be made by the Director of Dining Services in conjunction with the UC

Senior Director. Typically, exceptions will only be made when Dining Services determines that they will be unable to accommodate a specific request.

Checking Room Availability

Space availability checks and tentative reservation requests will be accepted over the phone at 521-6584. Tentative reservations may be made for space, but must be confirmed or released within seven days of the original request. An actual reservation is not made until the Facility Reservation Request Form is received in the UC and Programs Office.

Confirmation

Reservations submitted electronically will be confirmed through email. If a request cannot be honored, the applicant will be contacted directly.

Emergencies/Concerns

Any concerns (i.e. room temperature, room set-up, spills, accidents, etc.) should be reported as soon as possible to the reservations manager. If there are problems with a scheduled program during regular operating hours (Monday - Friday 8:00 am - 5:00 pm), contact the UC Senior Director in Suite 220 or at (910) 521-6584. If the program is after 5:00 pm, contact the night manager in the Game Room at (910) 521-6544, the night manager in the Information Station at 910-521-6575, or the building security/night manager at (910) 521-6543.

Indemnification

The UC/UC Annex is not responsible for any losses or injuries suffered by any person as a result of a room reservation and/or activities sponsored by the reserving organization. However, these incidents should be reported to the UC Senior Director.

Grounds/Lawn Reservations

Reservations for outdoor facilities must be made through the Student Affairs Office located in Lumbee Hall. A General Facility Use form must be completed and approved by the UC Senior Director for use of the University Center and UC Annex lawns.

Mall Area

The Mall Area is the brick area inside the UC. There are four mall spaces on each side of the breezeway for a total of eight spaces. Each space can accommodate two 24" x 72" tables. Set-ups cannot interfere with or impede the flow of traffic. For safety reasons, the UC restricts the number of tables in public areas and hallways. The maximum number of tables allowed in the mall area is twelve. To reserve a mall space, follow the same guidelines for other spaces. Reservations must be made in advance, with a minimum four (4) days notice. Tables will be reserved on a first-come-first-serve basis. Student organizations are limited to one table with three chairs per day.

Night Managers

There are three night managers on duty each night in the UC - one in the Information Station, one in the Game Room and one in the security booth. A night manager is on duty in the UC Annex Sunday through Thursday from 5pm – 9pm. If you need assistance, e.g., A/V equipment, rooms unlocked, etc., please check with them.

Reserving the Game Room

The Game Room Manager schedules the use of the Game Room. Special groups (youth, churches, schools, etc.) are allowed to use the Game Room at student rates according to the following guidelines:

- Advance reservations must be made by phone at (910) 521-6544 or in person, preferably with a two-week notice.
- Counselors/teachers/chaperones must remain with students at all times.
- Horseplay will not be tolerated.
- No free play is allowed.
- Birthday groups are allowed, pending availability—restrictions apply.
- The Game Room will not be closed to UNCP students to accommodate special groups.
- Anyone who does not abide by the rules will be asked to leave and may jeopardize future privileges to use the facility.

Set-Ups

All rooms have standard configurations. Should something other than the standard set-up be required, a fee will be charged to the sponsoring organization (see *Set-Up Fees*). Costs may also be incurred by the sponsoring organization if the event requires additional labor for clean-up. Every effort is made to accommodate set-ups, but cannot be guaranteed without advance notification. Set-up requirements should be submitted at the time of the reservation. Only the UC Senior Director is authorized to submit work orders to Facilities Operations for setups in the UC/UC Annex. Any changes to an event that may affect the facility utilized must be communicated immediately. To plan a successful event, timely communication is crucial. If there are any changes to sound requirements, room set up, number of attendees, time of event, etc., inform the UC and Programs staff in a timely manner. A change in one program often affects many other details in a facility. If there is any doubt about whether that information is relevant, please communicate it.

Set-Up Fees

The labor cost to accommodate set-ups involving staging, dance floor, audience seating, tables, tents, sound, and A/V will be charged to all external groups (see *Fee Structure for External Groups*). The fees will be assessed on a case-by-case basis as determined by Facilities Operations.

Rental Policy Premise

The UC/UC Annex facilities are funded primarily by student fees. The fair cost of use by organizations not affiliated with the University shall be borne by that group rather than by student fees. Rental fees will be charged to cover the direct as well as indirect costs of operating the facilities and services supporting the rental activity. University-affiliated and student organizations will not be charged a facility use fee. Groups with no university affiliation will be charged for usage. Any group or individual requesting the use of the facilities will be held liable for all damages. Applications for external groups are restricted to specific types of requests—see the Facilities Use Policy for External Organizations at www.uncp.edu/sa/forms/facilityusepolicy.pdf. Requests to use the facilities by external groups must be submitted at least **60 days** prior to the event. A certificate of liability insurance is required. Internal groups must submit requests at least **seven (7) days** prior to the event for venues except the mall which requires a **four (4) day** notice. Only approved campus

organizations may request to use facilities for dances. UNCP reserves the right to reject any facility request that may conflict with established policies or other campus events.

Facility Usage Fee Policy

External (off-campus) groups are charged a facility-usage rental fee (see *Fee Structure for External Groups*). A UNCP faculty/staff person cannot sign off on a form in order for an off-campus group to avoid a charge. Users who misrepresent an event or affiliation in order to avoid fees and charges will be charged appropriately, may incur additional charges and may have reservation privileges suspended. These determinations are made by the UC Senior Director or a designee. Fee waivers are approved at the discretion of the chancellor. Refer to the Facilities Use Policy for External Organizations at www.uncp.edu/sa/forms/facilityusepolicy.pdf for usage guidelines.

Fee Structure for External Groups (per day):

Mall	\$ 50.00
Rooms	\$100.00
Annex Assembly Room	\$250.00

***See additional fees below*

Basic Services/Equipment included in the above fees:

- 1) Normal Room Clean-Up
- 2) TV/VCR/DVD, Self-Contained Podium w/Microphone, Tripod

Cost for Equipment:

Tripod	\$ 10.00
Piano	\$150.00
Podium w/microphone	\$ 25.00
*Sound System	\$100.00

*Includes: 1 Mic, CD/Cassette Player, Speakers

External Groups Will Incur Set-up and/or Audio-Visual Fees:

Labor costs to accommodate set-ups will be charged to all external groups. Although the set-up fees are assessed on a case-by-case basis as determined by Facilities Operations, the standard set-up fee is \$11 per hour weekdays and \$16.50 weekends. Events outside the M-F 8am-5pm timeframe will also require a UC conference assistant to remain on duty for the duration of the event at a cost of \$15 per hour. Contact the Media Center at 910-521-6254 for A/V fees. All events must be staffed with appropriate security. Charges for security are \$20 per hour, per officer and are the expense of the user.

Who May Reserve Space

The UC/UC Annex offers conference and meeting facilities on a first-come first-serve basis to the following two classifications of facility users:

(1) Affiliated Group: Any group established by the Chancellor or established by virtue of an explicit delegation of the Chancellor’s authority to a particular administrator, faculty member, staff member or to the student body, the faculty, or the staff. These include official recognized student organizations, departments, divisions, programs, committees, and the Alumni Association.

- N Officers of officially recognized and registered student organizations. (See *Student Groups*).
- N Student organizations who are trying to organize may reserve space for three organizational meetings, prior to official recognition. (See *Student Groups*).
- N Students who wish to use space on an occasional basis, as available, e.g. study sessions.

N Non-student UNCP organizations, e.g., faculty departments, committees, Alumni Association, etc.

(2) *External*: Groups other than recognized student and/or campus organizations that are legally separate from the University, even though some of the members or participants may be University personnel, alumni or students (see *Facilities Use Policy for External Organizations* at www.uncp.edu/sa/forms/facilityusepolicy.pdf).

(3) *Sponsored External Group*: An external group sponsored by an affiliated group.

For external groups, considerations of application are restricted to:

- N Groups involved in academic programs, and/or programs promoting the understanding of the arts and sciences and/or economic development
- N Local, state and federal governmental agencies
- N Organizations established by and/or financially supported by governmental entities
- N Private organizations providing programs which are consistent with the educational, research, and public service missions of the University and that are co-sponsored by the University.
- N Nonprofit organizations whose purpose is of a charitable nature. A letter of exemption from the IRS (501C) with an employer identification number must be attached to the application when submitted.
- N Recruitment events – events arranged by commercial organizations for the purpose of employee recruitment, training or meetings. The UC Senior Director reserves the right to review each of these events before a reservation can be made.

A Certificate of Liability Insurance listing the University as an additional insured is required.

- ! External (off-campus) groups are charged for facility use (please refer to the *Fee Structure for External Groups*). Anticipated fees must be paid in advance. Invoices for any additional fees are mailed one week after events and must be paid within 30 days. Nonpayment will result in the loss of privilege to use the facility.

EVENT COVERAGE POLICY FOR UNCP CLUBS/ORGANIZATIONS

It is expected that all parties involved will give thoughtful attention to proper event planning and agree to take all necessary steps before, during, and after an event to ensure its success. The following guidelines must be followed for a club/organization when hosting events on campus:

- The University reserves the right to implement special requirements or conditions not specifically outlined in this policy due to safety concerns or liability issues. In addition, the advisor or Student Affairs staff may request extra security through University Police for events they believe warrant extra security. Arrangements, including all associated costs, for extra security are the responsibility of the student organization. The level of security required for an event will be primarily determined by the following: type and time of event; location; expected attendance; whether the event is closed or open to the public; entry fee; and the expected level of potential risk to the safety and well being of participants, staff, and community members. Additional factors may also be considered as deemed pertinent by administration and campus safety personnel.
- Metal detection **may be required** for any non-seated, general admission, or open to the public events. It may also be required for other events if deemed necessary by the appropriate scheduling office and/or University Police. The event sponsor will be responsible for all associated costs. University Police and Student Affairs staff has the right to cancel any event at any time if safety is a concern. Any security risk event **will be** monitored by University personnel.
- The faculty/staff advisor's role is to advise student organizations in the planning and successful implementation of their major events, etc.; to work with the students to coordinate all aspects of the event from beginning to end; and to be a dependable resource for them. Events that are held in open areas (UC Lounge, UC Annex, or outdoor venues) require the presence of the student organization's faculty/staff advisor regardless of the size of the event. The advisor's presence provides additional support and perspective. The advisor must be present for the event in its entirety. Advisors should arrive at least one-half hour before the event and must remain until the crowd disperses. The event may not start until the advisor is present. If the advisor does not show up, the event will be cancelled. If the advisor leaves before the event is over, the event will be stopped by University Police, the facility manager, or other Student Affairs staff. If the faculty/staff advisor is unable to attend an event, the student organization is responsible for finding a Student Affairs staff member to attend the event or the event must be rescheduled.

Failure to comply with specific provisions as outlined in this policy may result in the organization being subject to UNCP's designated judicial process. Sanctions may include, but are not limited to, organizational discipline, financial repayment of damages, and suspended use of specific University facilities. Requests for exceptions to any aspect of this policy must be submitted in writing to the Vice Chancellor for Student Affairs at least 30 days prior to the event for review by the facility manager. Requests will receive a written response within 10 business days of the date of receipt.

VEHICLE PROCEDURES

Users are responsible for knowing and observing the regulations as outlined in the UNCP Vehicle Use Policy. Please refer to www.uncp.edu/ba/policies/pp/pp0192.htm.

University Center Vehicles

The University Center (UC) owns one (2) Maxi-Van (max. capacity: 10) and one (1) Mini-Bus (max. capacity: 12, plus 2 wheelchair spaces). These vehicles are maintained by Motor Pool and must be picked up from and returned to Motor Pool. Usage fees are outlined on the request form.

Who Can Use a Vehicle

Vehicles may be used by any UNCP department/student group with an active account maintained by the UNCP Business Office. The reserving department/group is responsible for reviewing the UNCP Vehicle Use Policy prior to operating vehicles and is liable for knowing and observing all rules. For all student trips, an advisor's signature is required for approval of the trip. The advisor must accompany the group on the trip and may be held financially accountable for vehicle usage fees if funds are not available in the student account.

Who Can Drive a Vehicle

First-time users of UC vehicles must complete a Vehicle Driver Authorization Form. The authorization form must be renewed at the beginning of each academic year. Only University employees may operate vehicles. Use of state-owned vehicles by student employees (including work study) who are on the state payroll requires authorization by the appropriate Vice Chancellor, Dean, Department Chair or Director. Student employees must be driving the vehicle as it relates to their paid position and not just because they are on the state payroll. For student groups, the designated driver must be an active member of the organization. Student groups can use the shuttle bus only if a UNCP faculty/staff is driving the vehicle. The department reserving the vehicle is responsible for finding drivers who are eligible to drive the vehicles. Departments can contact Motor Pool to determine if drivers are on the certified driver list. Minimum age of drivers is 21 with a minimum of three years driving experience. All drivers are subject to a Motor Vehicle Record (MVR) check. An accompanying passenger may assist with driving only if he or she satisfies the eligibility requirements applicable to the vehicle in use.

To Request a Vehicle

Requests are accepted and processed on a first-come, first serve basis. Availability must be verified by contacting the UC and Programs Office at extension 6584. A *Vehicle Request Form* with all signatures, other information, and a passenger list must be submitted at least 14 days prior to the trip along with a copy of the driver's valid license. *A \$25 fee is charged unless a 24-hour cancellation notice is given.* Forms are available at www.uncp.edu/uc.

To Pick up a Vehicle

Keys must be picked up (and returned) to the UC and Programs Office. You will be required to sign for the keys. To pick up the keys, present a valid driver's license as well as an updated passenger list to the UC official who dispatches the keys. A copy of the passenger list must be presented to Campus Police prior to any group leaving campus. Ask for a copy of the *Vehicle Request Form* for your trip to record beginning and ending mileage. Take the keys and form to Motor Pool to pick up the vehicle. Please check fuel gauge before leaving campus. If fuel is low, please fill up at the Motor Pool pumps. A gasoline credit card is in the glove compartment

of the vehicle (use the credit card only for long-distance trips). If the card cannot be used to purchase gas, you must bring a gas receipt to the University Center and Programs Office so that a Request For Payment can be completed for reimbursement.

To Return a Vehicle

Return the vehicle to Motor Pool. If the vehicle is returned after 5:00 p.m. or on weekends, lock it and park it in the Facilities Operations parking lot. Upon return of the vehicle, please do a visual check to make sure trash has been removed and discarded and that the overall appearance of the vehicle is such that it is ready to be used again. Failure to do so could result in loss of privilege to use the vehicle in the future.

Return the keys and the *Vehicle Request Form* to the UC and Programs office by 12 noon the first business day following your return (*keys are not to be dropped in the Motor Pool Box*). The driver is responsible for accurately recording the beginning and ending mileage on the form. Failure to do so could result in excessive mileage charges. *If the keys, accompanying paperwork and/or the vehicle are not returned on time, there will be a \$25 service charge and revocation of reservation privileges for your organization until the fee is paid.*

All travel must be related to official University business and comply with state and University policies, procedures, and regulations. State vehicles may not be used for personal usage nor loaned to other individuals. Users are representatives of UNC Pembroke when traveling. Each person is responsible for professional conduct and presenting a positive image while on any trip. Failure to properly represent the University may result in disciplinary action/judiciary charges. Smoking and alcoholic beverages are not permitted in any University vehicle.

Drivers' Responsibilities

Drivers must obey all local and state ordinances pertaining to the operation of motor vehicles. Drivers are responsible for the safety of all passengers, limiting occupants and cargo weight, ensuring that passengers use seatbelts (if equipped), inspecting the vehicle prior to leaving the parking site, monitoring the vehicle for proper operation, and reporting any problems to Motor Pool. In case of an accident, the reserving department is responsible for payment of the insurance deductible amount as well as damages not covered by insurance.
