### Supporting Documents

#### I. Transcripts

Official transcripts of all previous academic work must be sent to the University. (To be official, a transcript must display the school seal and be mailed directly from the high school or college to the Office of Undergraduate Admissions.) Faxed copies will be accepted as official if received from the appropriate school.

#### II. Aptitude Tests

All freshman class candidates must submit scores from either the College Board (SAT I) or the American College Testing Program (ACT). To request your official SAT I results, write to College Board, APT, Box 592, Princeton, NJ 08514. (See the application checklist for all of your required documents.)

### North Carolina Residency

- A. Under North Carolina law, bonafide legal residents (domiciliaries) of North Carolina are eligible for a lower tuition rate than non-residents. Copies of the applicable law and of implementing institutional regulations are available for inspection in the Sampson-Livermore Library and may be examined upon request. In essence, the controlling North Carolina statute (G.S. 116-143.1) requires that "to qualify for in-state tuition a legal resident must have maintained his domicile in North Carolina for at least 12 months immediately prior to his classification as a resident for tuition purposes." Neither a foreign national nor an alien admitted on a student visa is eligible for the in-state tuition rate. An alien holding a visa, which will permit permanent residence in United States is subject to the same considerations as a citizen. If residence is questionable, completion of an application for residency may be required. Determinations of residency for tuition purposes are made based on a preponderance of the evidence relevant to intent to maintain permanent legal residence.
- B. Military members and dependents stationed in North Carolina may be eligible for an In-State Tuition Waiver. To be considered for this, the student must submit a military waiver form. **Applicants may view or print the residency/waiver form at the following link: <http://www.uncp.edu/admissions/undergraduate/residency/default.asp>.**

### International Students

International students should request and complete the UNC Pembroke Undergraduate Application for International Students. Details regarding the completion and submission of applications for international students is contained within that document.

### Audit

New students who plan to audit a course must complete an application in conjunction with a form indicating the approval of the appropriate professor(s) and Associate Vice Chancellor of Academic Affairs.

### Health Forms & Housing

Prior to enrollment, all students registered for five or more semester hours must submit a completed health form to the Student Health Services office. This application for admission does not reserve a residence hall room. A Housing Application is available to accepted students at <http://www.uncp.edu/housing/agreement.htm>. Questions concerning housing should be directed to Housing and Residence Life Office at 910-775-4253.
