# Another Room in Your Head

**13**

*Cue:*

**ALFRED:**

It doesn't always end as books would have it end.

I'm a rabbit in a waist-coat, really.

Running out of time in Wonderland. [MUSIC GO]

**ALICE:**

But how shall I be here without you, now?

**ALFRED:**

That is the riddle.

*(This lands. A silence. ALICE's cot appears, within some blank space of Wonderland, as if they were between both worlds. ALFRED leads her to it.)*

**♩ = 161**

**ALICE:**

Will I still dream that you're here and you're mine, And I ne-ver have \_ to let you go? \_
