Student Teaching Placement Procedure 2018-19

The Harnett County School District is committed to providing an excellent experience for student teachers. In order to meet the needs of the many universities/colleges', a pre-service placement request must be sent to Carol Blalock at least 2 weeks prior to placement.

A Pre-Service packet must be submitted by college/university on behalf of the pre-service student at that time. We will need the following:

- Letter from the college/university formally requesting the student teacher placement, which provides the details of the requested assignment (e.g. dates, grade/subject, number of hours, activities that must be performed);
- Completed student teacher application each year(attached);
- Completed District Board Policies and Procedures Form on file
- Completed Consumer Notification and Authorization Consent for Release of Information on file
- Completed Health/TB Test Certificate on file

Completed forms must be emailed directly to Carol Blalock at cblalock2@harnett.k12.nc.us.

Placements will be made on a semester by semester basis. Placements will be done based on the following criteria:

- Be professionally licensed in the field of licensure sought by the student.
- Have a minimum of three years of experience in a teaching role.
- Have been rated, through formal evaluations, at least at the accomplished level as part of the North Carolina Teacher Evaluation System and have met expectations as part of student growth in the field of licensure sought by the student.
- Willingness of schools and teachers to take a student.

Harnett County Schools will make every effort to place students at their requested location or with the requested teacher. However, if the request cannot be met, we will place the pre-service student in the subject/level at another site.

If you need further information, please feel free to contact Carol Blalock at (910)893-8151 x336 or cblalock2@harnett.k12.nc.us.
